6 April 2018

New horizons....endless possibilities

This month a report was released that shows only 1 in 4 students enter university via an ATAR (Australian Tertiary Entrance Rank) pathway. At St Agnes, we are really excited by this finding and it reaffirms our position that our Stage 6 students will have access to multiple pathways and opportunities. We are committed to providing students with more choice about the pathway they want to take through senior school. Some of these may look like certificate or diploma credentials, accelerated completion of some of the HSC subjects, or other flexible, online and blended ways of finishing compulsory schooling with a meaningful credential or qualification. The school has begun exploring these options with a range of partners. St Agnes is already a highly respected and successful high school; the future for our students is one of endless possibilities.

Staff changes from Term 2

Our Teaching and Learning Coordinator: Technology, Mr Usman Khan, has been seconded as a project officer to Parramatta Catholic Education Office. This is a reflection of his capacity and skills as a leader and technician. Usman has ensured that St Agnes is a technology rich school and that we are always at the cutting edge of new technologies. While he will be sorely missed, we are grateful for his legacy and know the system will benefit from his expertise. Usman will rejoin St Agnes at the completion of his tenure.

This move has resulted in a number of staff changes for the remainder of 2018:

Learning and Teaching Coordinator: Technology - Mr Laurence DeMartin

Learning and Teaching Coordinator: Curriculum - Mr Gavin Hilder

Mathematics Coordinator - Mr Christopher Shanahan

Congratulations to each leader.

Lastly, we farewell Mrs Jane Rutkin who is moving to the south coast with her family. Jane has made a significant contribution to the growth of our Literacy agenda. We are indebted to her for her commitment and expertise. She leaves us stronger in this essential domain and we wish her all the very best for this next stage in her life.

From the Assistant Principal

Cyberbullying

With increasing time spent online, you might be worried about your child and cyberbullying. Understanding cyberbullying can help you to support them to stay safe online.

Conflict between young people is a normal part of growing up, cyberbullying is not. You may have heard how harmful cyberbullying is but you may feel like you don't really understand it.

- Cyberbullying is bullying that uses electronic means like the internet or mobile phones to aggressively and intentionally harm someone
- Cyberbullying can include name calling, abusive comments, spreading rumours, threats of physical harm, being ignored or excluded, having opinions slammed, online impersonation, being sent rude or upsetting images, or having personal information or images sent or shared with others
- Cyberbullying is most common in late primary school and early high school and up to half of all young people have experienced it

Cyberbullying can be difficult for parents to detect because it's covert. Here are some things you might notice your child doing if they're being cyberbullied.

- Socialising less with friends and family
- Reducing time online or being jumpy when getting text or emails
- Avoiding school and dropping out of sports and other activities
- Losing self-esteem or confidence
- Feeling anxious, sad, embarrassed, angry or physically sick
- Changing moods, behaviour, thoughts about self-harm

Some students might be tricked into inviting cyberbullying as it is common for students to consent to a TBH. This stands for To Be Honest and is an open invitation for other young people to say vile things about someone under the guise of 'being honest'. In addition, many of the contributors to this 'honesty opportunity' are anonymous.

What can you do?

- Take the time to talk to them.
- Be open to listening and understanding their experience of cyberbullying.
- Take the cyberbullying seriously
- Help them identify what cyberbullying is
- Find out details about the cyberbullying
- Teach them that cyberbullying is never ok
- Reassure them that they're loved
- Find out how your child has reacted to it
- Teach them about power dynamics that underlie bullying behaviour
- Work together to figure out ways they can take back power from the 'bully'
- Involve them in decision making at home to increase their sense of power and control
- Role model calmly managing your own emotions
- Create opportunities to expand their support friendships
- Support them to speak to another trusted adult or counsellor
- Advise them to avoid opening emails or responding to cyberbullies
- Respect that they may not want to limit online access as this can seem like a punishment and lead to greater social isolation

Ken Wolffe

From the Teaching & Learning Coordinator: Curriculum

Term One Interim Reports

Term One Interim Reports will be issued in the last week of term and this is a good opportunity for students to reflect on how they have begun the 2018 academic year. These reports provide feedback to both students and parents on the areas of classwork, homework, application and conduct in class. It is important that students take on board the feedback given to them by their teachers and continually seek ways to improve and strive to do their personal best in every subject.

Semester One reports will be issued at the end of Term Two, with parent-teacher interviews also to be held during this time. These reports will contain specific subject information, indicating the levels to which course outcomes have been achieved, as well as overall course grades. They will provide a summary of each student's academic progress for the first half of the year.

Stage 6 Pathways for 2019

Planning is well underway for our first Year 11 cohort in 2019. St Agnes will be offering a comprehensive curriculum that provides a personalised learning journey for students. There will be a variety of pathways on offer to best suit student's individual needs. Students will have the choice to obtain a HSC along with an ATAR leading to direct entrance to university, or a HSC with a Non-ATAR, allowing them to pursue interests in Vocational Education and Training Courses (VET) or TAFE courses.

Also available to students will be externally delivered VET Courses known as EVET, the study of languages via The NSW School of Languages, Distance Education, School Based Traineeships, and the Whitehouse Institute of Design.

From the Religious Education

Journey to the Cross

"Return to me with your whole heart" (Joel 2:12)

To begin our Holy Week journey, Rhiannon Soans (10.7), Kiera Everingham (10.2), Chanel Saliba (10.7) with Mr Sadsad and Ms Raad along with many schools in the Parramatta Diocese joined the Palm Sunday procession from Parramatta Town Hall to the St Patrick's Cathedral. Waving our school flag high with pride, we began the procession with a palm blessing from Bishop Vincent and proceeded to walk through Church street. Members of the public stopped to see what was going on as we became witnesses to the coming of Jesus to the people, to Jerusalem. The Palm Sunday Mass was a beautiful Eucharistic celebration, retelling the Passion story and preparing our hearts for the solemnity of the Passion story. A line from the song 'Remembrance' by Matt Maher sums up the very essence of how Christ brings us all into communion, through his love and sacrifice for each and every one of us:

*By Your mercy, we come to Your table
By Your grace, You are making us faithful*

*Lord, we remember You
And remembrance leads us to worship
And as we worship You
Our worship leads to communion
We respond to Your invitation, we remember You*

On Holy Thursday, St Agnes celebrated the Easter story through the Journey to the Cross Passion Play. Prior to the performance Mrs Millwood and Ms Green along with 30 cast members practiced tirelessly in preparation for this liturgical celebration. Our school gathered in the back grass area to pray together and remember the greatest love story ever told, the story of our King who defeated death and made way for life with no end.

I'd like to congratulate all of our Passion play cast members, Mrs Millwood (Drama teacher), Ms Green (Costumes and props), Ms Carlin, Ms Raad and Ms Thauvette (Digital Media), Mrs Devine

(Narrator) and the Digital Communications Portfolio team for the wonderful photos taken from the day.

Narrators	Jonathan Israel Mrs Melissa Devine Micah Romero Daniel Villanueva

On Good Friday morning, the Journey to the Cross cast led the Stations of the Cross at St Aidan's Parish Rooty Hill. The dedication and service of these students involved showed the St Agnes spirit of giving back to our community. Fr Alan Layt, Parish Priest and Mrs Carmen Cassar, Parishioner and Teaching Educator in Mission from the Catholic Education Office Diocese of Parramatta congratulated our students on their commitment and delivery, and a parishioner made the comment "The students made the Stations of the Cross reflection that much more meaningful this year. I hope to see them do this again next year". Congratulations once again to the students involved in this year's Passion Play, for sharing our talents and gifts to bring our community to prayer and reflection this Easter. It makes me very proud and happy to work in this school with very generous students of their time for others.

St Agnes Celebrate Harmony Day & Project Compassion

Over the past 6 weeks, we've been doing our part in bringing awareness of the wonderful work of Caritas Australia.

Each House (Chisholm, Francis, MacKillop and Xavier) is represented as a village, whose aim is to buy as many goats as they can. Goats can provide a constant supply of income and nutritious food for a family through their quality milk, cheese and meat. One goat costs \$50, so for every \$50 earned by each House more goats will be raised for the House village. As promised, an update of our Goat Challenge tally will be shared with you in the newsletter. **The tally as of the end of Lent is:**

- Francis: \$521.50 (10 goats)
- MacKillop: \$503.40 (10 goats)
- Xavier: \$367.30 (7 goats)
- Chisholm: \$301.80 (6 goats)
- **ST AGNES TOTAL = \$1694.00 (33 goats)**

For your calendar: Next Wednesday, 11th April, St Agnes will be celebrating Harmony Day and formally known as Hero Day to continue to raise money for Caritas Australia. You are warmly invited to attend our Multicultural Day performances from 11:00-12:30pm. The House leaders will also be selling food over recess and lunch to give it their last big push to raise as much money as they can!

As we near the end of our Caritas project with only 2 weeks to go, let us continue to do our small part in donating for a wonderful cause that changes the lives of those in need. Can you spare your soft drink today? Donate this to Caritas.

World Youth Day - Panama 2019

"I am the servant of the Lord. May it be done to me according to Your Word" (Lk 1:38)

(Taken from the WYD web site <http://worldyouthday.com/about-wyd>)

The Diocese of Parramatta have officially launched WYD Panama 2019 at the Palm Sunday celebrations. As a school, we have started the process of asking our Year 10 students to express their interest to be pilgrims for the next WYD in Panama. For our parents who have shown an interest for their son/daughter to attend WYD, the following points have been communicated by the Diocese of Parramatta:

- Once approved by the school, all chosen student pilgrims will be required to give a \$500 deposit. The date will be communicated to parents as soon as possible.
- All staff and student pilgrims are expected to attend all the WYD Formation Sessions in Term 3.
- Pilgrims are required to pay 1/3 of the total costings of WYD, with another 2/3 supported by the school. Student pilgrims are encouraged to actively seek ways to find donations to cover their contribution through creative ways.
- All student and staff pilgrims from each school are required to actively sell raffle tickets for \$2 each with wonderful prizes to be won! The money raised as a school from this raffle will go towards the school contribution. The WYD Raffle will be drawn in the Lifted Live event in October this year.

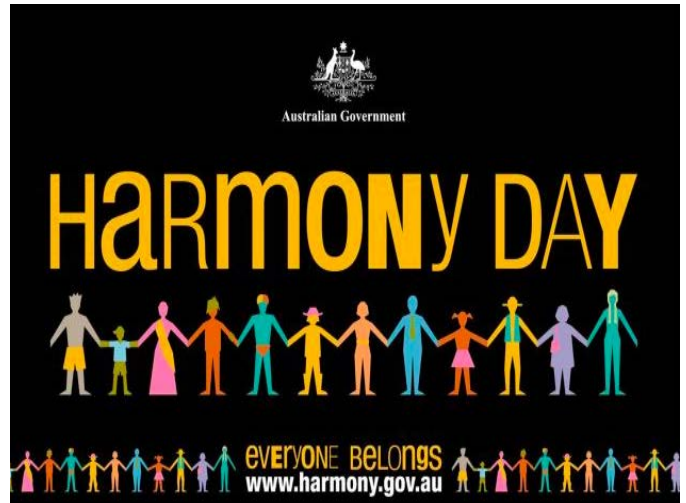

For your information, have a look at the resources below and do not hesitate to contact our St Agnes WYD Group Leaders - Mr Sadsad and myself for any information. I will keep you informed each week of the WYD updates. Thank you for your support to the many formation opportunities provided at St. Agnes.

PROJECT COMPASSION
FOR A JUST FUTURE

I'd like to conclude with a reflection from the Gospel of Mark (Mk 16:4-7):

4 But when they looked up, they saw that the stone, which was very large, had been rolled away. 5 As they entered the tomb, they saw a young man dressed in a white robe sitting on the right side, and they were alarmed.

6 "Don't be alarmed," he said. "You are looking for Jesus the Nazarene, who was crucified. He has risen! He is not here. See the place where they laid him. 7 But go, tell his disciples and Peter, 'He is going ahead of you into Galilee. There you will see him, just as he told you.'"

As we live in the spirit of Easter, I wonder... will we remember the suffering of Christ for us? do we weep for the suffering and injustices of our world? are we quick to judge others? do we have the courage like Simon of Cyrene to help someone that we don't know? And most of all, do we recognise the risen Christ amongst us?

*Pace e bene,
Mary Reyes*

Year 7 iPad Program - Term 2

At the start of Term 2 our Year 7 cohort will be introduced to our 1 to 1 device program. The objective of the program is to support the teaching and learning of our Year 7 students within learning spaces that are connected to and influenced by the wider educational community.

It will be compulsory for Year 7 students to have an iPad or a ChromeBook by 4 May 2018 (Friday in Week 1 of Term 2). On this day the students will work through the School's Information Technology Policy and also the Cyberwise Program.

From Monday 30 April 2018 to Friday 4 May 2018 all students who are yet to connect their devices to the school's wireless network must do by seeing the IT office.

Our **minimal** recommended device specifications and cases are:

- 32 GB iPad (9.7 inch, with Wi-Fi, placed in a Full Coverage Case.
- OR
- 16GB storage and 4 GB RAM ChromeBook (11.6 inch)

An iPad Mini is not recommended as this model has a reduced display and typing surface, which is not suitable for use at St Agnes Catholic High School. An iPad Pro is also not recommended as there is no additional functionality associated in the increase in size and price.

A 'full coverage case' is a case that covers the front and back of the device and includes an inbuilt stand.

If you require further information regarding this program including purchase options please contact the school on 8882 0700 or via the school's email address stagnes@parra.catholic.edu.au.

YEAR 10 STUDENTS Re: Year 11 Subjects

St Agnes will be offering a comprehensive and competitive range of courses for Stage 6, incorporating the most popular HSC subjects as well as those that reflect the personal interests of our students.

Our students will be offered a variety of pathways to achieve a Higher School Certificate (HSC), an ATAR and vocational credentials.

The Year 11, 2019 Subject Selection Night on 4 June 2018 at 6.30pm will outline the nature of the HSC and the opportunities for Stage 6 students at St Agnes. The Subject Information Booklet will be available on our website on the week preceding this date.

We are excited by the opportunities that will be available to St Agnes Catholic High School students and look forward to working with current and future students and their families to explore possibilities and realise their aspirations.

HELP 'GREEN' ST AGNES

Every Blacktown Council resident is allocated 2 free trees from Blacktown City Council. Most residents don't take this offer up. If this is you, the opportunity has risen that you can donate them to our school. We will use your tree allocation to replenish our gardens around the school. Please email stagnes@parra.catholic.edu.au with the details below.

I, (your name) _____

of (address) _____

have **NOT** collected my 2 free plants from Blacktown Council this financial year and would like to donate them to St Agnes Catholic High School for planting on school grounds.

Don't forget to sign and date your request.

Nominate us and our gardens will thank you.

16 March 2018
Friday of the Fourth Week of Lent

Dear Students,

The United Nations has designated 15 May 2018 as International Family Day.

Here in our diocese, we have families of every kind: nuclear or extended families; single-parent families; blended families and so on.

From time to time families experience difficulties. It may be bereavement, separation, illness, financial difficulties, problem gambling, disabilities, pregnancy-related issues. Whatever it is, help is at hand.

In our diocese, we have a group called CatholicCare who offer help to families through individual and family counselling, relationship counselling, financial and problem gambling, services for the ages, services through NDIS for persons with a disability, accommodation and help for young women who are pregnant and at risk of homelessness, refugee and settlement services.

Every year as part of our celebration of International Family Day, every school will have a fund-raiser and the money will be sent to CatholicCare to help them help our families. Your school will decide the type of fund-raiser you will have and on what date it will be held and I encourage you to participate fully in order to help us meet the urgent needs of some of our families.

Yours sincerely in Christ,

Most Reverend Vincent Long Van Nguyen OFM Conv
Bishop of Parramatta

When is sick too sick for school

If I am sick please call the school or write me a note
to let the school know why I am not at school.

Send me to school if ...

- ✓ I have the symptoms of a cold or hayfever
- ✓ I have a sprain, strain or pain and I can function (walk, talk and eat)
- ✓ If I have asthma, diabetes, epilepsy etc. school personnel are trained to manage my condition. Talk to the school about my health plan
- ✓ I haven't vomited or had diarrhoea for 24 hours

Keep me home if ...

- ✓ I have a temperature higher than 37 degrees
- ✓ I am vomiting or have diarrhoea
- ✓ My eyes are red and crusty (conjunctivitis)
- ✓ I have influenza (flu), combination fever, sore throat, cough, muscle aches and headaches
- ✓ I have the symptoms of an infectious disease. Go to NSW Health A-Z of infectious diseases for more information

Catholic Education
Diocese of Parramatta

A day here or there doesn't seem like much but absences
add up 2 days a month adds up to 4 weeks a year /
20 days a year which is over one year of lost learning.
